

HERTFORD HEATH VILLAGE HALL

My apologies for there being no report of our November meeting. I missed the meeting and did not ask anyone to write a report. This report therefore covers both the November and December meetings.

Gloria has found a small Wendy house to put on the new side garden and we hope to install it next spring.

One of our radiators was damaged during a party and, instead of reporting this to Wendy, the hirers simply put a tray underneath. (They also took the Hall key away with them.) Luckily, a member of the committee went into the Hall before any real harm was done but could I appeal to all hirers to report any damage immediately to Wendy and not to take the Hall keys away with them.

The Hall committee has cleared out and cleaned the big store room. There is a table tennis table and a folding pool table which we do not want and is free to anyone who will take them away. Contact Gloria if you are interested.

The numbers attending the tai chi classes do not appear to have been affected by the increase in the weekly fee. Indeed we have had new members. Now that we are not receiving funds from East Herts, we are not restricted to only accepting those over 50. So, if you are interested, do come along on Mondays and try it out. Our first class in the New Year is on 7th January.

The dance classes are not so well attended and, unless our instructor can take them on herself, they will have to close at the end of January.

The Hall will be closed from Saturday 21st December to Monday 7th January so that we can re-do the floor.

We will not be having a meeting in January. The next meeting of the Committee will be on Wednesday 6th February 2019. Please let me know if there is anything you would like to raise with the Committee at that meeting.
